Love as the Substance and Energy of Creation

"Out of love was the world framed and out of love was each soul created. Therefore, love is the essential ingredient whereby mankind may fulfill the purpose for which they were born."

"Love is the cohesive power of the universe, the very energy that holds the stars in their courses and electrons in their orbits. Love is the spiritual gravity that draws all of creation back into the heart of the Creator. When mankind understand this law, they will comprehend that to love is to live—and to love God first and foremost is the supreme science of existence."

The Threefold Flame and the Mastery of Love

"The threefold flame in the heart is the God Presence within man. And of the three plumes—Love, Wisdom, and Power—the pink plume of Love must rise supreme to bring balance to the Trinity within."

"Those who cultivate love in the heart magnetize into their worlds the energies of the Holy Spirit, for the Holy Spirit moves only through love. Therefore, the mastery of love is essential to the full expression of the Christ within the heart."

Love as the Healing and Transmuting Fire

"Where there is discord, it is because love has not been perfected. Where there is disease, it is because love has not been invoked as the healing presence. Love is the fire that transmutes all unlike itself, and when invoked, it passes through the physical body, the mind, and the emotions to restore harmony and wholeness."

"Let those who seek healing, then, seek first to embody love—to love God with all their hearts and to love their fellowmen even as the Christ loves them."

The Path of Initiation through Love

"All who would walk the path of initiation must pass the tests of love. Each encounter, each challenge is an opportunity to love more—to love selflessly, to love wisely, to love with the all-consuming fire that does not count the cost."

"Each time the soul chooses love over fear, over pride, over selfishness, a stripe of light is added to the wedding garment. And when the garment is complete, the soul is ready for the ritual of the ascension."

Guarding the Flame of Love

"Therefore, I, Chamuel, say to you: Guard the flame of love as you would guard the most precious gift of life. Let no outer circumstance, no argument, no betrayal extinguish that flame. For the flame of love is your open door to the kingdom—it is your passport to the ascension."

"I AM Chamuel, the servant of Love. I AM your advocate before the throne of God. And I will not leave you until you have become the fullness of Love incarnate."

Vol. 10 No. 46 - Beloved Archangel Chamuel - November 12, 1967

The Power of Love to Reunite the Soul with God

"Love is the power that draws the soul back to the heart of God. It is the spiritual gravity that overcomes all resistance, all separation, and all sense of aloneness. Love is the open door to the octaves of light."

"I AM Chamuel, and I come to rekindle the flame of Love within your heart. For Love is the fulfillment of the Law, and Love is the key to every victory on the path."

The Threefold Flame and the Mastery of Love

"Within your heart, the threefold flame burns as the gift of God's Presence. And of the three plumes—Love, Wisdom, and Power—it is Love that is the greatest. For Love brings balance to Power and Wisdom. Love infuses Power with compassion and Wisdom with understanding."

"Therefore, to expand the threefold flame, you must first expand the pink plume of Love. Without Love, the power of the spoken Word and the illumination of the mind cannot manifest their full glory."

Love as the Healing Power

"Love is the great healer. Love mends the broken heart, restores the fragmented soul, and brings peace to the troubled mind. When you invoke the flame of Love, you invoke the Comforter's presence into your world."

"Call to me and to my angels, and we will come to minister to your soul with the healing fires of Love. We will fill your world with the soft pink radiance that brings comfort and renewal."

The Path of Initiation through Love

"Each step upon the path is a test of Love. Each initiation challenges the soul to love more—to love God, to love the Christ within others, to love life free. The soul that chooses Love in every test rises on the spiral staircase to the heart of God."

"This is the path of the saints, the path of the masters, the path of those who have overcome through Love."

Guarding the Flame of Love

"I say to you, guard the flame of Love within your heart. Let no outer condition, no injustice, no argument steal that flame from you. For the flame of Love is your open door to the heart of God."

"I AM Chamuel, your servant of Love, and I stand with you always until you have become the fullness of Love incarnate."

Vol. 11 No. 48 - Beloved Archangel Chamuel - December 1, 1968

The Power of Divine Love to Fulfill the Law

"I AM Chamuel of the Pink Flame of Divine Love, and I come to teach you the supreme law of life—that Love is the fulfilling of the Law. All that is and all that shall be is born of Love, sustained by Love, and fulfilled by Love."

"To understand this law is to understand the very science of creation. For Love is the cohesive power that holds the atoms of the universe together. Love is the magnetic force that draws twin flames into reunion. And Love is the irresistible call that draws the soul home to God."

The Threefold Flame and the Mastery of Love

"The threefold flame within your heart is the divine spark of your own God-reality. And if you would see this flame expand and magnify, you must master Love. For without Love, there is no balance between Power and Wisdom."

"The pink plume of Love must rise supreme, enfolding Power and Wisdom in the mercy and compassion of the Divine Mother. In this perfect balance, the threefold flame becomes the magnet that draws to you every blessing and every grace that you require to fulfill your divine plan."

Love as the Healing Power

"Love is the greatest healing power in the universe. Love is the sacred fire that consumes all unlike itself. Love restores the soul to her original beauty and reunites her with her twin flame."

"Therefore, when you are in need of healing—whether in body, mind, or soul—call upon the flame of Love. Call to me and to my legions of the Pink Ray, and we shall come bearing the healing essence of Divine Love."

The Path of Initiation through Love

"Each step upon the path of initiation is a test of Love. Each challenge is an opportunity to embody more of God's Love—to love when love is not returned, to love when the human creation of others opposes you, to love when all outer circumstances seem to deny the power of Love."

"Those who pass the tests of Love earn the right to wear the robe of the Christ and to enter the retreats of the Great White Brotherhood where they are taught the higher mysteries of Divine Love."

Guarding the Flame of Love

"Therefore, I say to you: Guard the flame of Love within your heart as your most precious gift. Let nothing and no one steal it from you. Nurture it daily with prayers and decrees. Protect it with calls to Archangel Michael for protection."

"For the flame of Love is your open door to the kingdom of God. It is your key to the ascension, your passport to the realms of light."

"I AM Chamuel, your angel of Love, and I stand with you always until you are Love incarnate."

Vol. 14 No. 48 - Beloved Archangel Chamuel - December 5, 1971

The Fires of Divine Love as the Path to Self-Mastery

"I AM Chamuel, and I come with legions of the Pink Flame to fan the fires of Love within your heart. For the fires of Love are the key to self-mastery, and without Love there can be no progress on the spiritual path."

"The mastery of life itself begins with the mastery of Love. Love is the power that holds together your soul, your consciousness, your very being. Love is the flame that draws you into the heart of your God Presence. And Love is the power that will carry you home to God."

The Threefold Flame and the Supremacy of Love

"The threefold flame within your heart is the gift of the Father, the Son, and the Holy Spirit. But that flame will not expand unless Love expands. For Love is the balance of Power and Wisdom. Love is the harmonizing action that brings all of life into alignment with the divine will."

"Therefore, beloved, tend the flame of Love each day. Let it become a living altar within your heart, where you worship the living God in the temple of your being."

Love as the Transmuting Power

"Wherever there is discord, Love is the answer. Wherever there is fear, Love is the remedy. Wherever there is division, Love is the power that makes whole."

"Call upon the flame of Love, and it will pass through your being as a refining fire, consuming all unlike itself. Love is the great transmuter. Love is the great alchemist. And Love is the key to every victory upon the path."

The Healing Power of Love

"Love is the great healer. Love heals the mind and the emotions. Love heals relationships. Love heals the body. When you invoke the flame of Love, you invoke the Presence of the Holy Spirit into your life. And where the Spirit of the Lord is, there is Liberty—and healing."

"Call to me and to my legions of Love, and we will come. We will surround you with the pink flame, and we will hold the immaculate concept for your wholeness until you are fully restored in the light of God."

The Path of Initiation through Love

"Every step upon the path is a test of Love. Every challenge is a test of your capacity to embody Love—to love God, to love the Christ, to love the flame of Life in every part of creation. Those who pass the tests of Love are given the keys to the inner retreats, where the mysteries of Divine Love are taught by the Ascended Masters."

"The path of Love is the path of the saints, the path of the overcomers, the path of the ascension."

Guarding the Flame of Love

"Therefore, beloved, guard the flame of Love within your heart as your most precious treasure. Let nothing and no one steal it from you. Nurture it daily with prayers, decrees, and service to life. For the flame of Love is your open door to the kingdom of God."

"I AM Chamuel, your angel of Love, and I will walk with you every step of the way until you become Love incarnate."

Vol. 18 No. 39 - Beloved Archangel Chamuel - September 28, 1975

The Fires of Love as the Instrument of Spiritual Transformation

"I AM Chamuel, and I descend from spheres of love to decelerate the intensity of God's love that you might receive him. This is the tempering of the wind to the shorn lamb of mankind's identity. For the winds of the Holy Spirit and the fires infolded in the winds are indeed for the judgment of the luciferian creation and for the intensification of love in the hearts of the lightbearers, that love itself might be the instrument of the judgment."

"Let your hearts now burn within you! For the Presence of the Lord, though unseen and unknown, is nigh. And you will recognize the reality of your Lord and your Saviour by the burning of your heart in the love of the Creator. For only the Saviour, the eternal Christos, who lives in the hearts of ascended and unascended beings, can cause the quickening of the fires on earthly altars—the same fires that burn as votive flames ignited by angels who keep the flame of life on behalf of souls moving in the planes of Mater."

Love as the Key to the Sacred Fire and the Violet Flame

"Of all of the misuses of the sacred fire which mankind have imposed upon nature and the body of the Mother, there is none more deadly or more dastardly than the perversion of divine love. Let the children of the light call forth the intense action of the violet flame from the master of the Aquarian age, Saint Germain, who focuses the consciousness of God-love in this system of worlds! For this is a generation of people-haters, children-haters, Christ-haters, and God-haters; and mankind's hearts have become hardened against the true children of Israel—the children of the light of all that is real."

"Let honor, longsuffering, and tenderness characterize the relationships of the followers of God. Let doctrine and dogma be consumed in the fires of love. Let the Holy Spirit unite all hearts in the love of the One."

Love as the Path to Purity and the Ascension

"If you would get the victory over the beast and over his image and over his mark and over the number of his name, stand on the sea of glass! Stand on the purity of the Mother and her immaculate concept which she holds undefiled for each child of God."

"If you would live in the flaming presence of love, be prepared to deal with the fallen ones who have misused this sacred fire to create all manner of ugliness and distortion of the divine arts and of the music of the spheres to turn man and woman upside down and inside out in acts of perverted sex and misuses of the sacred fire. And they have caused the judgment of Sodom and Gomorrah to be upon this generation who have replaced reverence for life with the murder of the avatars and of the Divine Mother."

The Kundalini Fire and the Realignment through Love

"I AM come for the judgment, that the energies of the Holy Spirit might be realigned in man and woman, that the fires of the kundalini might rise on the altar of the spine to illumine, to purify, and to increase the intensity of the sun behind the sun."

Vol. 19 No. 35 - Beloved Archangel Chamuel - August 29, 1976

The Sacred Heart of Love and Its Role in the Soul's Union with God

"I come, then, with the legions of the third ray to reinforce the Power of Love within you. For Love is the great magnet of attraction. And when you love the Lord thy God with all thy heart and soul and mind, you draw to yourself, as to the center of a vortex, the entire Spirit of the Great White Brotherhood."

"The power of Love is the key to precipitation, to healing, to the drawing forth of the sacred Word and the sacred fire. Love is the cohesion of the atoms and molecules of self-awareness that come together to form the great sphere of cosmic consciousness."

"If you would be whole, if you would be healed, if you would be loved, then love! And if you would have the magnet of the Great Central Sun active within you, if you would be a sun center magnetizing souls of light into the center of the community of the Holy Spirit, then be that Love. Be that sacred fire that will always produce the miracle alchemy whereby all things are fulfilled."

Love as the Key to Ascension and Victory

"I AM Chamuel. I come with Charity to release a mighty action of the pink flame of Divine Love into your midst. I come to tutor you in the way of Love—to show you the science of Love, the art of Love, and the mastery of Love."

"To embody the Love of the Archangels is to embody the magnet of the Central Sun. And that magnet draws to you every blessing, every gift, every grace from the heart of God and from the hearts of all who serve on the seven rays."

Love as the Divine Alchemy of Transformation

"I say, then, in the name of the Great White Brotherhood, in the name of the initiates of Love: Be free to be the fullness of Love! Be free to expand the heart! Be free to draw the

circle of fire that excludes all unlike itself and therefore draws to itself the entire Spirit of the Great White Brotherhood!"

"The key to our union is Love. The key to the fulfillment of the plan of the Lords of Karma is Love. And Love is the open door to the heart of every Ascended Master and Cosmic Being."

Love as the Source of Wholeness and Protection

"Love, then, is the great protector. Love, then, is the power that is the all-consuming fire. And therefore, Love is your defense. Love is your shield. Love is the power of invincibility. Therefore, to fulfill the fiat of Almighty God is to fulfill the call to be Love incarnate."

"I, Chamuel, servant of the Most High God, ministering servant unto the Most High God in you, bow before the flame of Love within your heart. And I ask that you tend that flame daily as you would the altar fire, as you would the sacred lamp. For it is the lamp of the virgins awaiting the return of the bridegroom. And it is the light that lights the world."

The Healing and Judgment through Love

"I AM come for the judgment, that the energies of the Holy Spirit might be realigned in man and woman, that the fires of the kundalini might rise on the altar of the spine to illumine, to purify, and to increase the intensity of the sun behind the sun."

Vol. 20 No. 19 - Beloved Archangel Chamuel - May 8, 1977

The Power of Divine Love as a Cosmic Magnet

"I come, then, with the legions of the third ray to reinforce the Power of Love within you. For Love is the great magnet of attraction. And when you love the Lord thy God with all thy heart and soul and mind, you draw to yourself, as to the center of a vortex, the entire Spirit of the Great White Brotherhood."

"The power of Love is the key to precipitation, to healing, to the drawing forth of the sacred Word and the sacred fire. Love is the cohesion of the atoms and molecules of self-awareness that come together to form the great sphere of cosmic consciousness."

"If you would be whole, if you would be healed, if you would be loved, then love! And if you would have the magnet of the Great Central Sun active within you, if you would be a sun center magnetizing souls of light into the center of the community of the Holy Spirit, then be

that Love. Be that sacred fire that will always produce the miracle alchemy whereby all things are fulfilled."

Love as the Key to the Ascension

"Love is the key to your ascension. Love is the key to your oneness. Without Love, there is no I AM THAT I AM. Without Love, there is no you. Without Love, there is no we. All of cosmos is held in the cohesive power of Alpha and Omega as Love."

"Therefore, let Love flow. Let Love be the Eternal Shepherd of your soul, leading you in the way everlasting. And let the Comforter of Love be with you always, even unto the fulfillment of the Word within you."

Invocation of the Flame of Love

"In the name of the living God, I AM THAT I AM, I, Chamuel, invoke now the action of the third ray in this heart of the City Foursquare. I call for the action of the flame of Love to now penetrate every condition within and without that opposes the manifestation of the divine plan."

"Therefore, let Love reign. Let Love be victorious. Let Love be the fulfillment of the ancient promise, the covenant fulfilled this day."

Love as the Consuming Fire

"You have heard that God is a consuming fire. And I say that Love is the consuming fire that transmutes all unlike itself. Love is the fulfillment of the law. Love is the fulfillment of grace. And Love is the open door to the heart of every Ascended Master and Cosmic Being."

"Love is the key. Therefore, if you would fulfill the first commandment of the law and love the Lord thy God with all thy heart and soul and mind, you will discover that your heart becomes the open door to octaves of light. And through your heart, the great influx of energy that comes from the Central Sun can pass into this octave."

The Great White Brotherhood and the Initiates of Love

"I say, then, in the name of the Great White Brotherhood, in the name of the initiates of Love: Be free to be the fullness of Love! Be free to expand the heart! Be free to draw the

circle of fire that excludes all unlike itself and therefore draws to itself the entire Spirit of the Great White Brotherhood!"

"The key to our union is Love. The key to the fulfillment of the plan of the Lords of Karma is Love. And Love is the authority whereby every chela of the will of God fulfills his fiery destiny in the heart of the Great Central Sun."

The Protection of Love

"Love, then, is the great protector. Love, then, is the power that is the all-consuming fire. And therefore, Love is your defense. Love is your shield. Love is the power of invincibility. Therefore, to fulfill the fiat of Almighty God is to fulfill the call to be Love incarnate."

"I, Chamuel, servant of the Most High God, ministering servant unto the Most High God in you, bow before the flame of Love within your heart. And I ask that you tend that flame daily as you would the altar fire, as you would the sacred lamp. For it is the lamp of the virgins awaiting the return of the bridegroom. And it is the light that lights the world."

Love as the Healing Power

"I AM Chamuel. I AM the servant of Love. I come to heal with Love, to mend the broken heart, to bring understanding and wisdom into relationships, into families, into communities. Love is the great healer. Love is the comforter. Love is the wholeness of the soul."

"Therefore, O beloved, let Love fulfill its perfect work in you, and know that Love is the victory of the age."

Vol. 20 No. 20 - Beloved Archangel Chamuel - May 15, 1977

The Fiery Heart of God's Love

"The fiery heart of God's love is the magnet that draws the soul back to the center of being. For Love is the first outgoing and the final ingoing breath of Life. Love, then, is the first cause, the beginning of creation, and Love is the fulfillment of creation's purpose. Love is the all-in-all of being."

"I AM Chamuel, and I come with the hosts of the Lord to amplify the love of God within you. I come to direct the fires of the heart of the rose cross into your own heart, that you might

experience the pulsation of the sacred fire as it beats within the heart of the One. And the pulsation of the sacred fire in your own heart is the confirmation that you are indeed the beloved of God and that God is your beloved."

The Sacred Heart as the Open Door to the Ascended Hosts

"Understand, then, that the open door to the ascended hosts is the sacred heart. The sacred heart is the altar where the threefold flame burns as a living witness to the presence of Father, Son, and Holy Spirit. Therefore, to come into the fullness of union with God is to enter into the heart of Love. And to enter into the heart of Love is to know the ascension flame."

"Without Love, there is no ascension. Without Love, there is no liberation from the cycles of karma. Without Love, there is no transmutation of the cause and core of human creation. Therefore, let Love be fulfilled in you as the threefold flame expands to consume the lesser self and to reveal the Real Self."

Love as the Science of Being

"Love is the science of being. Love is the alchemy of the Great Work. Love is the reason for existence and the fulfillment of existence. Those who understand Love and who embody Love understand the meaning of life itself. For Love is Life, and Life is God. And without Love, there is no Life, and without Life, there is no God."

"Therefore, to understand God, you must understand Love. And to understand Love, you must become Love. And to become Love is to fulfill the commandment of the law: 'Thou shalt love the Lord thy God with all thy heart and with all thy soul and with all thy mind.' This is the first and great commandment."

The Healing Power of Love

"I AM Chamuel. I AM the servant of the Most High God. I AM the minister of Love to the body of God on earth. I come to bring healing to the brokenhearted, to bind up the wounds of those who have been torn apart by human creation, by human misunderstanding and discord."

"Love is the great healer. Love is the great physician. Love is the power that makes all things whole. Therefore, call upon me and upon the hosts of the third ray, and we will come into your midst with the healing fires of Love."

Love as the Way to Overcome All Things

"No matter what the problem is—whether in the body, the mind, or the soul—Love is the answer. For Love transmutes all unlike itself. Love is the consuming fire. Love is the way. Love is the truth. Love is the life. And Love is the open door to heaven itself."

"I AM Chamuel, and I AM with you in the way of Love. Therefore, be not afraid to walk the way of Love. Be not afraid to surrender all to Love. For in Love is the victory of life everlasting."

The Comforter's Flame of Love

"The flame of Love is the flame of the Comforter. It is the flame of the Holy Spirit. It is the flame of the Divine Mother. Therefore, in the hour of trial, call upon the Comforter's flame of Love, and know that the answer to every human problem is found in the flame of Love."

"I AM Chamuel. I AM Love. I AM with you always, even unto the end of the age."

Vol. 24 No. 10 - Beloved Archangel Chamuel - March 8, 1981

The Flame of Divine Love as the Key to Life's Mastery

"Love is the alchemical key to life's mastery. Love is the completeness of the threefold flame. Love is the wholeness of the man and the woman. Love is the integrating force of the planes of Spirit and Matter. Without Love, there is no integration—no oneness with the Presence and no integration in the four lower bodies."

"Those who would walk the path of the ascension must realize that the flame of Love is the key to the balancing of the threefold flame. Without Love, there is no equilibrium—no balance of Power and Wisdom, no harmony in the chakras, and no sealing of the aura."

The Cosmic Science of Divine Love

"Those who enter into the science of the spoken Word must understand the science of Love. For it is the Love within the Word that gives to the Word its creative power. It is Love within the decree that gives to the decree its effectiveness. It is Love within the mantra that opens the door to the heart of the Buddha."

"Therefore, in all your getting, get Love! For Love is the light and the fulfillment of the Law."

The Call to Embody the Love of the Archangels

"I AM Chamuel. I come with Charity to release a mighty action of the pink flame of Divine Love into your midst. I come to tutor you in the way of Love—to show you the science of Love, the art of Love, and the mastery of Love."

"To embody the Love of the Archangels is to embody the magnet of the Central Sun. And that magnet draws to you every blessing, every gift, every grace from the heart of God and from the hearts of all who serve on the seven rays."

Love as the Transmuting Power

"Love is the great transmuter of all that is unreal. Love is the all-consuming fire that burns away the veil of illusion and reveals the reality of the kingdom of God within you."

"Therefore, when you call to me and to the hosts of the third ray, we come with the sacred fire of Love to pass through your four lower bodies, to cleanse and purify and make whole."

Love as the Key to Divine Union

"Love is the key to your union with the Holy Christ Self. Love is the key to your union with your twin flame. Love is the key to your union with every part of life. Therefore, let your Love be perfected. Let your Love be purified and intensified, until that Love becomes the magnet that draws all Life into the heart of God."

"This is the Love that passes through the Sacred Heart of Jesus. This is the Love that passed through the heart of Gautama. This is the Love that fills the heart of the Divine Mother. This is the Love that I bring to you this day."

The Mandate to Keep the Flame of Love

"Keep the flame of Love! Guard the flame of Love! Protect the flame of Love! Let none take it from you. For the flame of Love is your life, your victory, your ascension."

"I AM Chamuel. I AM the servant of the Most High God. I AM your friend of Light. I AM with you always in the heart of Love."

Divine Love as the Creative Power of the Universe

"Love is the creative power of the universe. Love is the essence of the Father-Mother God. Love is the very core of the diamond heart of life itself. And therefore, you who seek to be co-creators with God must understand that Love is the alchemical key whereby you will fulfill your destiny in this life and the life to come."

"Love is the energy by which worlds are framed, and it is the energy by which worlds pass into dissolution—when they no longer outpicture the divine plan."

The Mastery of Love as the Open Door to the Path

"I AM Chamuel, and I come to initiate you in the mastery of Love. For Love is the Open Door to the path of the Ascension. Love is the alchemy that will change the base metal of human consciousness into the gold of divine awareness."

"Without Love, the key to alchemy is lost. Without Love, the key to divine wisdom is lost. Without Love, there is no science of being, no art of living, no mastery of life. Therefore, understand that to be initiated in Love is to be initiated in the very mystery of Life itself."

Love as the Key to Twin Flame Reunion

"Those who seek the reunion with the twin flame must know that the only way that twin flames may be reunited in the fullness of God's glory is through the mastery of Love."

"For Love is the magnetic force that draws twin flames together after centuries of separation. Love is the sacred fire that consumes all that stands between the soul and her divine counterpart. And therefore, those who would know the fullness of Love in this life must invoke the sacred fire daily and must embody Love in action."

Love as the Healing Power

"Love is the great healer. Love is the power that heals all wounds of the soul. Love is the power that transmutes the cause and core of every disease and every disorder in the four lower bodies."

"Therefore, when you call to me and to the angels of the third ray, we will come with the healing fires of Love to cleanse and purify your mind, your body, and your soul."

The Cosmic Purpose of Divine Love

"Understand, O beloved, that Love has a cosmic purpose. Love is the magnet that draws the soul into the fiery heart of God. Love is the light that illumines the path. Love is the law of Life itself."

"Therefore, let all who seek the higher way of initiation understand that Love is the key to every step of the Path—from the first step of self-mastery to the final step of reunion with God in the ritual of the ascension."

The Mandate to Guard the Flame of Love

"Keep the flame of Love, beloved! Guard the flame of Love! Let no one take it from you. For the flame of Love is your life, your victory, your ascension in the Light."

"I AM Chamuel. I AM the servant of the Most High God. I AM your friend of Light. I AM with you always in the heart of Love."

Vol. 28 No. 46 - Beloved Archangel Chamuel - November 17, 1985

The Flame of Divine Love as the Key to the Fulfillment of Your Divine Plan

"I AM Chamuel of the Flame of Divine Love. I come to intensify within you the realization that Love is the key to the fulfillment of your divine plan. For every divine plan is written in the language of Love, and it can only be fulfilled by Love in action."

"The very blueprint of your soul's destiny was impressed upon your etheric body by the hand of God's Love. That blueprint, beloved, is a mandala of Light—geometric patterns that are formed by the frequencies of Divine Love. As you embody Love, you magnetize that

divine pattern into the physical octave, and your divine plan unfolds as naturally as the rose unfolds to the sun."

The Science of Precipitation through Love

"Love is the cohesive force of the universe. It is the Power that holds all things together. When you understand the science of precipitation, you will realize that only through Love can you draw forth from the Universal the perfect patterns of God's creation."

"Love is the science and the power behind every true alchemist. Love is the magnetic force that draws the Light of God into form. Without Love, there is no true creation, only miscreation born of human desire and human will."

Love as the Key to Healing and Wholeness

"I come with the hosts of the Third Ray to minister unto your souls, for I say to you: Love is the great healer. Love is the power that makes whole. Love is the light that penetrates to the very cause and core of human suffering and transmutes it by the sacred fire."

"When you call to me and to the angels of Love, we descend into your world carrying the sacred fire of Love. This is the fire of transmutation, the fire of healing, the fire of comfort. Let it flow into your hearts. Let it consume all hardness of heart, all resentment and fear, all doubt and self-condemnation. Let Love restore you to the original beauty of your divine design."

The Path of Initiation through Love

"The path of the ascension is the path of initiation through Love. Love is the testing, Love is the trial, Love is the triumph. Every step of the way is a step in Love—learning to love God more, learning to love your fellow man more, learning to love the Christ within yourself and within all life."

"When you pass the tests of Love, you enter into the heart of God. And there, in the secret chamber of the heart, you find the mystery of life itself. That mystery is Love."

The Sacred Heart as the Open Door to Heaven

"The Sacred Heart of Jesus is the open door to the Kingdom of Heaven. And that Sacred Heart is a heart of flaming Love. When you enter into that heart, you enter into the bliss of the Divine Union. You enter into the communion of saints and of angels. You enter into the Great White Brotherhood."

"Therefore, beloved, cherish the flame of Love within your heart. Protect it, nourish it, guard it as the most precious gift of Life. For Love is truly the alchemical key to all things."

A Call to Keep the Flame of Love

"I AM Chamuel. I AM your friend of Light. I stand with you on the path of Love, and I AM ready to assist you every step of the way. Call to me, beloved, and I will come. Call to me, and I will strengthen your heart with the strength of Love itself."

"Therefore, keep the flame of Love. Let it burn upon the altar of your heart. Let it light your way and the way of all whom you meet. For Love is the greatest gift of all."

Vol. 28 No. 39 - Beloved Archangel Chamuel - September 29, 1985

The Fiery Heart of God's Love as the Power of Transformation

"I AM Chamuel of the Archangels. I come to you in the flaming heart of Divine Love, for this is the all-consuming fire that has the power to transform your very life into the living Presence of God."

"There is no condition, no burden, no block to your soul's progress that cannot be dissolved by the fires of Divine Love. For Love is the very essence of God's being, and to know God as Love is to know the secret of Life itself."

The Law of Love as the Foundation of the Path

"Understand, then, that the first principle of cosmic law is Love. All that follows—every initiation, every test, every triumph—is built upon this foundation. When you pass the tests of Love, you pass into the inner sanctum of God's heart. And there you discover that Love is truly all there is."

"The law is Love, the lawgiver is Love, and the fulfillment of the law is Love. Therefore, let Love be the foundation of all that you do."

Love as the Magnet of the Ascension Flame

"You cannot enter the white fire core of the ascension flame without Love. For Love is the magnet that draws you into that sacred fire. Love is the power that consumes all unlike itself. Love is the force that lifts you into the arms of God."

"The ascension, then, is the triumph of Love over every lesser vibration, every discord, every fear and doubt, until only Love remains."

Love as the Power of Healing

"Those who have understood the healing power of Love have held the key to the healing arts of every age. For the power to heal is the power to love unconditionally—without fear, without judgment, without limit."

"Call, then, to me and to my angels to enfold you in the healing fires of Love. Let Love penetrate every cell, every atom, every electron of your being until you become the fullness of Love in action."

The Divine Plan Fulfilled through Love

"Your divine plan was written in the language of Love. Your path home to God is the path of Love. And every Ascended Master, every Cosmic Being, every angel serves in Love, by Love, and through Love."

"Therefore, to fulfill your divine plan is to become Love incarnate—to embody the fiery heart of God's Love in all that you do."

The Sacred Heart of Jesus and the Flame of Love

"The Sacred Heart of Jesus is a heart of Love. And that Sacred Heart is your open door to the heart of the Great White Brotherhood. Through the Sacred Heart, you enter into the communion of saints and angels. Through the Sacred Heart, you enter into the eternal covenant of Love."

The Call to Guard the Flame of Love

"Therefore, I say: Guard the flame of Love within your heart! Protect it from all that would assail it. Nurture it as the most precious gift of Life. For it is by Love that you shall fulfill your mission on earth, and it is by Love that you shall return to the heart of God."

"I AM Chamuel, your friend of Light, and I stand with you always on the path of Love."

Vol. 29 No. 51 - Beloved Archangel Chamuel - December 21, 1986

Love as the Beginning and Ending of the Spiritual Path

"I AM Chamuel, and I AM come to place my Electronic Presence over each one of you, to seal you in the fiery love of God that does consume all unlike itself. For Love is the beginning and the ending of the Path. Love is the Alpha and the Omega of your victory."

"Understand this cosmic law: Without Love you cannot begin the spiritual path, and without Love you cannot finish it. For Love is the key to the door of the kingdom of heaven."

Love as the Fulfillment of the Law

"It was Jesus who taught that all the law and the prophets hang upon these two commandments: Thou shalt love the Lord thy God with all thy heart and with all thy soul and with all thy mind; and thou shalt love thy neighbor as thyself. Thus, Love is the fulfillment of the Law."

"The ascended hosts have always taught that to enter the heart of God, one must first master the art of Love. For Love is the open door to all other graces, gifts, and initiations. Without Love, the soul cannot progress."

The Threefold Flame and the Power of Divine Love

"You have been taught that within your heart burns the threefold flame of Love, Wisdom, and Power. But what you may not realize is that Love is the key to the expansion of the threefold flame itself. If Love does not burn brightly, the other plumes cannot expand. Thus, Love is the activating force of the sacred fire within you."

"When you give your decrees with Love, the power of your spoken Word is multiplied. When you serve with Love, your service becomes a chalice for the Holy Spirit. When you meditate with Love, the inner door opens and the Presence of God is revealed."

The Alchemy of Love in Transmutation and Healing

"Love is the great transmuter. Love is the all-consuming fire. Love is the alchemy whereby the soul is made whole. Therefore, call to me and to the angels of the third ray to surround you with the pink flame of Divine Love. Let that Love dissolve all hardness of heart, all resentment, all sense of injustice. Let Love restore the soul to its original beauty."

"The greatest healers have always been those who have loved most. For in Love is the power to mend the broken heart, to heal the wounded spirit, to comfort the soul in its darkest hour."

The Initiation of the Sacred Heart

"To be initiated in the path of Love is to be initiated in the mysteries of the Sacred Heart. For the Sacred Heart is the heart of the World Saviour, the Christed One. When you enter the Sacred Heart, you enter into the universal love of the Cosmic Christ. You take upon yourself the burden of world pain, and you offer it upon the altar of Love to be consumed by the sacred fire."

"Thus, the path of Love is not for the fainthearted. It requires courage and sacrifice. But to those who walk this path, the rewards are great indeed—for they become the living chalice of God's Love to all mankind."

Guarding the Flame of Love

"By Love the worlds were framed. By Love the soul was born. By Love the path was set before you. And by Love the soul shall return to the heart of the One. Therefore, understand that to master Love is to master life itself."

Love as the Key to Mastering the Four Lower Bodies

"The mastery of the emotional body is the mastery of Divine Love in action. The mastery of the mental body is the mastery of Love's wisdom. The mastery of the etheric body is the mastery of Love's memory. And the mastery of the physical body is the mastery of Love in form."

"Without Love, there can be no self-mastery. For Love is the glue that holds together the four lower bodies, and Love is the integrating force that unites the soul with the Holy Christ Self."

Love as the Magnet of the Sacred Fire

"Where there is Love, the angels of Love gather. Where there is Love, the sacred fire flows. Where there is Love, there is the open door to the octaves of Light."

"Without Love, there is no ascension. Without Love, there is no integration of the soul with the I AM Presence. Without Love, there is no healing, no resolution of karma, no fulfillment of the divine plan. Therefore, above all, seek the gift of Love."

The Sacred Heart as the Open Door to Divine Love

The Science of Precipitation through Love

"Love is the science of precipitation. It is the power that draws the light of the Great Central Sun into form. It is the energy behind every true creation. Therefore, those who would become master alchemists must first become master lovers—lovers of God, lovers of the Christ, lovers of the sacred fire."

"Without Love, all attempts at alchemy fail. For without Love, there is no harmony, no balance, no attunement with the heart of the Great Alchemist."

"Every step on the path of initiation is a step in Love. Each test you face is a test of Love—your love for God, your love for your fellowman, your love for the Divine Mother. When you pass the tests of Love, you open the door to the next initiation."

"Thus, the path of Love is the path of the overcomers. And those who walk this path faithfully will know the full meaning of the words: 'Greater love hath no man than this, that a man lay down his life for his friends.' For Love is the ultimate sacrifice, and Love is the ultimate victory."

The Path of Initiation through Love

"The path of initiation is the path of Love. Each initiation you face is a test of your capacity to embody Love—to love God, to love the Christ within yourself and others, and to love life free."

Love as the Key to the Balancing of the Threefold Flame

"I would remind you that the threefold flame within your heart—blue for power, yellow for wisdom, and pink for love—must be kept in balance if you are to achieve mastery on the path. And of these three, Love is the greatest. For without Love, there is no true power and no true wisdom."

"Therefore, let the fires of Love rise within you. Let Love expand until it becomes a magnet drawing to you every blessing of heaven."

"These are the tests that determine whether you are ready to enter the inner retreats of the Brotherhood. For only those whose hearts are filled with Love may pass through the portals of our retreats."

Love as the Foundation of True Service

"True service begins with Love. Love for God. Love for your fellowman. Love for the flame of Life within every heart. When Love is your motive, your service becomes a chalice for the blessings of heaven to flow into the earth."

The Threefold Flame and the Balance of Love, Wisdom, and Power

"The threefold flame within your heart must come into balance if you are to fulfill the law of your being. The plumes of Power and Wisdom must bow before the plume of Love. For without Love, Power becomes tyranny and Wisdom becomes intellectual pride."

"Therefore, let Love expand until it consumes all unlike itself. Let Love reign as the sovereign within your heart. For Love is the key to the perfect balance of the threefold flame."

The Healing Power of Love

"I come with legions of angels bearing the healing flame of Love. For Love is the great healer of all wounds—wounds of the soul, wounds of the heart, and even the wounds of the physical body. Where there is pain, pour in the oil of Love. Where there is sorrow, pour in the balm of Love. Where there is discord, pour in the harmony of Love."

"For Love is the answer to every human problem, and Love is the resolution of every conflict. Therefore, call to me and to my angels, and we shall flood your world with the healing power of Divine Love."

The Path of Initiation through Love

"The path of initiation is the path of Love. Each test upon the path is a test of Love—love for God, love for the Christ within, love for the flame of Life in all. When you pass the tests of Love, you draw closer to the heart of God. And when you fail the tests of Love, you must meet them again."

"Therefore, cherish the gift of Love, and know that with each act of selfless Love, you weave a garment of light that will one day become your wedding garment for the ritual of the ascension."

Guarding the Flame of Love

"I say to you, guard the flame of Love as the most precious gift of your life. Let no one steal it from you. Let no outer condition extinguish it. Let no anger, no resentment, no human pride come between you and the flame of Love."

"For the flame of Love is your lifeline to God, your connection to the Holy Christ Self, and your key to the kingdom of heaven."
