

## *Entering the Temple of Twin Flames ~ The Pink and Ruby Fires of Love and Adoration*

**T**wo flames burn side by side In the cosmic heart—the **Pink Flame of Divine Love** and the **Ruby Flame of Love in Action**, the twin flames of **Archangel Chamuel and Charity**, entrusted to humanity to restore the **Temple of the Heart** within every soul.

This meditation is a journey inward to feel and meet the creative **Fire of Love** that gave birth to your soul. As you step into this **inner temple**, you are received as one who is returning **home**—home to the Divine Love that formed you, sustains you, and calls you to **become Love in action** upon this Earth.

Through **gentle purification and fierce empowerment**, Chamuel and Charity weave these twin flames within you, awakening both the tender embrace of Divine Mother and the courageous devotion of Divine Father. You become the **Living Chalice**—the place where Heaven’s love takes form in this world.

Use this as an **initiation into Love’s service**. Feel each breath, each vision, each vow, realign you with your highest purpose: to **be Love, give Love, and anchor Love where it has been forgotten**.

---

### **Reflection: Preparing the Heart for Sacred Union**

Before you enter the Temple of Twin Flames, it is helpful to reflect on the **state of your heart today**. Each of us carries stories within our hearts—some are songs of beauty and tenderness, others are echoes of heartbreak, loss, or disillusionment. Yet Chamuel reminds us that **no heart is ever too broken for divine love to restore**.

In this sacred space, you are going to be invited to set down the **armor** you have worn to protect your heart. Surrender it now. This meditation is a call to stand **unveiled** before Love itself—so you can allow divine love to see you, know you, and adore you exactly as you are.

The **Pink Flame** will hold you with compassion.

The **Ruby Flame** will call you to courage.

Together, they will transform every fear into faith, every wound into wisdom, and every longing into service. Acknowledge it. Accept it. Do the Great Work.

### **Setting the Sacred Space**

Prepare your space as a **Temple of Love**. Place a **pink candle** and a **ruby-colored candle** on your altar. Offer white roses or pink blossoms as a symbol of **purity and devotion**. If possible, burn **rose or frankincense incense** to create a holy atmosphere. Settle into a comfortable posture, spine straight, heart open.

---

## **1. Opening Breath — The Breath of Chamuel**

Close your eyes and imagine a soft, **rose-pink mist** surrounding you. Each breath draws this gentle mist into your heart, like the breath of an angel caressing your soul.

Inhale: *"I receive the Breath of Divine Love."*

Exhale: *"I surrender into Love's Presence."*

Do this for several breaths, until you feel the **air itself** charged with the **pink radiance** described by Archangel Chamuel:

*"Rejoice, ye hearts of men! Rejoice in the nobility of your own immortal being. Feel the pulsations of the flame of love from the heart of God—the pink radiance that softly bathes mankind in the glow-ray."*

## 2. Crossing the Threshold of the Heart Temple

With your inner vision, see a great **Temple of Pink Fire** rising before you — its doors adorned with **roses, rubies, and golden light**. Above the doorway, inscribed in letters of living light, are the words:

**"Love is the Fire of Creation."**

As you step through this threshold, you are received by the radiant presence of **Archangel Chamuel and Charity**, whose forms are **bathed in the soft glow of the Pink Flame and the brilliance of the Ruby Fire**. They smile, and you remember: **This is your home**.

---

## 3. Immersion in the Pink Flame — The Baptism of Divine Love

You enter a circular chamber, where a living **rose-pink flame** rises from the floor. This is not passive fire—it pulses with the **intelligence of divine love**, the love that gave birth to stars, planets, and souls.

You step into this **Pink Flame**, recalling Chamuel's words:

*"The flame of adoration a myth? Nay, I tell you. The flame of adoration is tangible. It is more real than the brittle, ephemeral reality which men call daily living."*

## 4. The Descent of the Ruby Flame — Love in Action

As your heart becomes a living altar, the **Ruby Flame** descends from above—a deeper fire that carries the vibration of **Love in Action, Divine Service, and the Judgment of Purification**.

*"We are Chamuel and Charity, and we come draped in ruby fire! See that you are not singed by the ruby fire, but internalize it at will."*

The **Ruby Flame** moves into your **hands, voice, and mind**, blessing each as **instruments of Divine Love in Action**. Chamuel places over your heart a **Ruby Cross of Fire**—the cross that **carries the record of all love given and withheld across lifetimes**.

*"The ruby intensity of our ray can be a laser beam to dissolve all that is unreal."*

Feel the weight of this **Cross of the Karma of Love**—heavy with responsibility, yet light with grace.

Say aloud:

*"I AM a Servant of Love.*

*I AM a Warrior of Love.*

*I AM a Keeper of the Ruby Flame."*

---

## 5. The Marriage of Flames — Pink and Ruby Become One

The **Pink Flame** and the **Ruby Flame** begin to spiral together—one soft and nurturing, the other fierce and devoted. Together, they form the **Sacred Fire of Adoration and Justice**.

*"The pink flame of Love does protect and seal the blue lightning, and the blue lightning must come again to protect and seal the Ruby Ray intensity that is for a purging as no other ray can purge."*

You feel the presence of the **Divine Mother**, who nurtures life into being, and the **Divine Father**, who upholds **cosmic justice with infinite tenderness**.

Place your hands over your heart and whisper:

*"Holy Child within, I adore you. Rise now, and lead me in the way of love."*

---

## 6. Sending Forth the Flames — Blessing the World

Now, as a Keeper of both the **Pink and Ruby Flames**, turn your heart outward toward the Earth. See the world **bathed in pink mist** and **ruby light**.

Send forth spirals of **Pink Fire** to every wounded heart, every fractured family, every forgotten soul.

Send forth spirals of **Ruby Fire** to awaken the **Justice of Love**, to burn through tyranny, cruelty, and exploitation.

Declare:

*"In the name of Chamuel and Charity,*

*I AM a Lighthouse of Divine Love.  
By the Pink Flame, I heal.  
By the Ruby Flame, I restore.  
And by Love's Judgment, I set all life free."*

---

## 7. Sealing and Gratitude

Return to your physical body, anchoring these flames in your **physical heart**.

See Chamuel and Charity bow gently before your heart altar. For **you have become their instrument on Earth**.

Give thanks:

*"Beloved Chamuel and Charity,  
I thank you for the gift of Love.  
May I live it, may I guard it,  
May I give it—until all life is free."*

Breathe deeply. When ready, open your eyes.

---

### After the Meditation – A Sacred Act

To ground this transmission of Love, perform a simple **act of kindness** in the name of Archangel Chamuel. Send a message of love to someone who needs it. Forgive someone. Speak a word of blessing to yourself in the mirror. **Let Love move through you into the world.**

---

### Mantra for Contemplation

*"I AM a Temple of the Pink Flame. I AM a Servant of the Ruby Flame. By these flames united,  
I AM Divine Love in action."*

## *Prompts for Sacred Journaling*

After your meditation, enter into dialogue with your own heart through these reflection prompts. Write freely, as though your heart itself is speaking to you:

1. What stories does my heart still carry about **love**—stories I inherited, lived, or believed?

2. Where has my heart been wounded by love, and what part of me still fears **to love again**?

3. What vision does my heart hold of **divine love**—what would it feel like, look like, or become if love moved freely through me?

4. When I see myself as a **Keeper of the Pink and Ruby Flames**, what does that sacred role mean to me?

5. What is one simple act of **Love in Action** I can offer today in honor of **Archangel Chamuel and Charity**?
