

Decrees And Affirmations

♥ Difference In Intent Or Purpose Between A Decree And An Affirmation

✦ What is a Decree?

Intent & Purpose: Commanding God's Light into Action

A **decree** is a **dynamic, rhythmic invocation** that **commands divine energy into action** — calling upon the **Light of God**, the **I AM Presence**, the **Ascended Hosts**, the **Angelic Kingdom**, and the **Sacred Flames** to **directly intervene** in personal and planetary affairs.

In a decree, you are not simply **affirming what is already true** (as in an affirmation); rather, you are **actively invoking spiritual power and directing divine intelligence into specific conditions** to **transform them, uplift them, or seal them** in divine perfection.

Decrees are often:

- Spoken aloud, repeatedly.
- Rhythmic (often in threefold repetitions, called "the Power of the Three").
- Directed toward specific action — for healing, protection, transmutation, precipitation, or planetary service.
- **A co-creative act with God** — you and the Divine Powers are working **together**.
- A direct command to Light: *"Blaze the Flame!" "Cut me free!" "Seal me in Light!"*

Example of a Decree (Pink Flame):

"Mighty I AM Presence, Archangel Chamuel and Charity, Blaze, Blaze, Blaze the Pink Flame of Cosmic Love through my heart, my home, my family, and my world! Saturate my being with the Tender Mercy of God, until all life I touch feels the Comfort Flame of Divine Love!"

✦ What is an Affirmation?

Intent & Purpose: Accepting and Anchoring Divine Truth Within

An **affirmation** is a **quiet, clear statement of divine truth** that **anchors spiritual reality into consciousness**. Affirmations work on the **inner plane of belief and identity**, helping

you **accept your divine identity** and **align your thoughts, feelings, and subconscious programming with spiritual truth**.

In an affirmation, you are not commanding action **outside yourself** (like a decree), but rather **affirming and reprogramming your inner knowing** — **aligning your being with divine law**.

Affirmations are often:

- Simple, clear, and direct.
- Focused on personal identification: *"I AM Love."* *"I AM the Light."*
- Repeated quietly, though they can also be spoken aloud.
- Used to **shift consciousness** from false belief into divine identity.
- Less about external action and more about **inner anchoring**.

Example of an Affirmation (Pink Flame):

"I AM a Radiant Sun of Divine Love. Love flows from my heart to bless all life. I AM Love in action wherever I AM."

Summary Comparison: Decree vs. Affirmation

	Decree	Affirmation
Focus	Outer action + Inner transformation	Inner acceptance of divine truth
Energy	Commanding divine light into action	Reprogramming your mind & emotions
Tone	Dynamic, forceful, rhythmic	Calm, clear, declarative
Purpose	Invoke divine power to change conditions (personal, planetary)	Anchor divine reality into your being
Relationship	Co-creation with the Ascended Hosts	Personal self-identification
Example	"Blaze the Pink Flame!"	"I AM Love."
When to Use	When you want divine intervention, transformation, protection, healing	When you want to align your identity with divine truth

✦ How They Work Together

They are not opposing practices — they are **complementary**.

- **Decrees change outer conditions** — calling forth Light to **act** in your world.
- **Affirmations change inner beliefs** — retraining your mind to **become** the Christ Self.
- **Decrees clear the way; affirmations hold the new vibration.**

A full **spiritual practice** often includes both:

1. **Start with decrees** to clear the field and call divine light into action.
2. **End with affirmations** to seal your consciousness in the divine reality you want to embody.

✦ Metaphor for Understanding

- A **decree** is like calling **firefighters** to your home to extinguish a blaze — **you call upon divine action**.
- An **affirmation** is like **rewiring your home's electrical system** so the fire doesn't happen again — **you change the inner programming** that creates your outer experience.

✦ How Archangel Chamuel Reacts to Our Decrees and Affirmations

- **Archangel Chamuel** responds to **decrees** by **sending legions of angels** to direct the Pink Flame into action in your life and world.
- **Archangel Chamuel** supports your **affirmations** by **holding the divine blueprint of your heart** so you can remember and claim who you truly are — a **child of Divine Love**.
